* These are **required** support courses which may also be used to satisfy the indicated Distribution requirements. A student may choose to fulfill Distribution requirements with courses other than the ones listed, but these listed courses must still be taken.

Note: If a course is used to satisfy two or more requirements, (for example, a support course and a distribution elective), the credits are counted in only one place. Using a course to satisfy more than one requirement does **not** reduce the total credits required for graduation.

\+ Methods courses are selected according to the second major chosen for a particular licensure area: see below.
Second major options for Humanities licensure: American Studies, English, or History.
Second major options for Math/Science licensure: Biology, Chemistry, Geological Sciences, or Mathematics.
Mathematics licensure requires a second major in Mathematics.

‡ Students in the Middle School Subject Area Teacher Licensure Program must complete EDU 438 for Licensure.
