- TechAmerica Foundation - CLOUD2 Report
  - TechAmerica Foundation has convened a Commission of thought leaders to serve on our Commission on the Leadership Opportunity in U.S. Deployment of the Cloud (CLOUD<sup>2</sup>). The commission's three-month mandate is to provide the Obama Administration with recommendations for how government should deploy cloud technologies and for public policies that will help drive U.S. innovation in the cloud.

- The Transparent Society; (1998) David Brin

*The Transparent Society* is a non-fiction book by the science-fiction author David Brin in which he forecasts social transparency and some degree of erosion of privacy, as it is overtaken by low-cost surveillance, communication and database technology, and proposes new institutions and practices that he believes would provide benefits that would more than compensate for lost privacy.
