

AVOID MONTHLY TAX PENALTIES

There's a new law in Massachusetts. Most residents age 18 and older are required to have health insurance, or pay monthly tax penalties.

Are you planning to stay in Massachusetts after graduation? Then you need health insurance. Remember, student health insurance ends soon after graduation.

The state's **Health Connector** can help.

The Health Connector is the **only** way to purchase comprehensive Young Adult Plans that are more **affordable** than many other plans and are **easy to get**. Depending on where you live, you may pick a plan from:

- Blue Cross Blue Shield of Massachusetts
- Fallon Community Health Plan
- Harvard Pilgrim Health Care
- Health New England
- Neighborhood Health Plan
- Tufts Health Plan

You may not have a job lined up that offers you health insurance, but now you can get your own health insurance. And don't worry. You can cancel these plans if you get a job with health insurance.

For further information,
call 1-877-MA-ENROLL or visit the Health Connector's website
