## **INTRODUCTION**

The purpose of the Destination Survey is to provide the College Community (administrators, staff, faculty, students and alumni/ae) with current information about employment patterns, graduate school enrollment, regional salary information as well as data on who are hiring our graduates.

The Destination Survey is distributed to all undergraduate students of the most recent graduating class six months after graduation. In an effort to collect as much data as possible, phone calls are made during the spring semester in a last attempt to reach the largest pool of recent alumni/ae as possible. As a result of these efforts, we received 569 responses out of a class of 1161, equaling a 49.00% return rate.

We hope that the information shared in this report will be a useful resource to the College Community, providing feedback on what is happening to our graduates after graduation. Copies have been distributed to key Administrators and Deans. Additionally, the survey is now available via the Career Services website and a hardcopy will be held on reserve in the Career Resource Center for faculty, students and alumni/ae use. The survey is a work in progress; if you have feedback on items to be included or excluded, suggestions are welcome.

Christine Sullivan  
Director, Career Services  
Division of Student Life

## HIGHLIGHTS

- **1161** undergraduate students graduated from Salem State College in 2008
- **569** students responded to the 2008 Destination Survey. This response represents **49.0%** of the graduating class.
- **98.7%** of the respondents indicated satisfaction with their educational experience
- **84.0%** of the respondents are employed on a full-time permanent basis
- **74.5%** of the respondents indicated that their position was related to their field of study
- **14.4%** of the respondents reported themselves as unemployed
- **12.2%** of the respondents reported themselves as unemployed and not currently seeking employment
- **84.0%** of the respondents found the Career Services Office to be helpful

## Post Graduate Studies by Major
