

Where Can I Get Emergency Contraception (Plan B)?

Salem State University students can obtain Plan B at Health Services at a significantly reduced price than is available at most pharmacies. The fee for Plan B may vary based on a sliding scale. Come to our office during normal business hours Monday- Friday for medication or counseling.

Weekends and Nights

While student health services is not opened on weekend and nights, students over the age of 17 can purchase Plan B without a prescription for about \$40.00 at most pharmacies. You must speak with the pharmacist to purchase Plan B as it is kept behind the pharmacy counter. Local pharmacies are listed below.
