

Loring Avenue South while still allowing for the exit of vehicles making right hand turns onto Loring Avenue North.

View of Gateway looking toward Loring Avenue

This project will also provide for the relocation of Admissions parking behind the Ellison Center as well as a landscaped area of pavement that can be isolated for resident events as necessary.

The project will also include new a new handicapped accessible walkway to Admissions, walkway lighting and landscaping.

- ◆ Project Commenced on June 18.
- ◆ Substantial completion August 20.

SPECIAL NOTES: During this period of construction, College Drive will be closed from Peabody Residence Hall to Loring Avenue. Campus Police will be on hand to provide assistance as necessary.

Parking at the rear of the Ellison Center will be restricted during the project.
