

# Office of Facilities Management

## Capital Projects and Planning Department

---

---

**Project Number:** 7722

**Schedule:** Summer 2007

**Title:** Sullivan Building Roof Replacement

---

---

**Architect:** Winter Street Architects

**General Contractor:** Pinnacle Roofing, Inc.

**Project Manager:** Daniel P. Burke

The Sullivan Building is the flagship building of Salem State College and the oldest building on campus at over 100 years old.

This project will replace the existing roof which is at end of life. The project also includes the replacement of roof gutters.

- ◆ Project Commenced on June 1.
- ◆ Substantial completion June 30.

**SPECIAL NOTES:** During this period of construction, parking areas immediately adjacent to the Sullivan building (in the Administration Building parking lot) may be restricted during the demolition and construction phases of this project.
