

**STAPLES** Advantage

**STAPLES**

that was easy.™

## Employee purchases.

A program for all your personal needs.

*Employee purchase program details:*

- Only purchases ordered through StaplesLink.com are eligible to receive Salem State University negotiated pricing.
- Minimum order \$50 delivered right to your home.
- Only your personal credit card may be used for payment.
- All orders must ship to a residential address (Personal purchases can not be shipped to an office.)
- All orders ship prepaid via UPS® ground at no charge to you.

Staples Advantage® is excited to announce that all Salem State University faculty & staff are eligible to take advantage of the Salem State University office products program.

As a faculty or staff member of Salem State University, you can personally register for access to StaplesLink.com®, Staples exclusive, award-winning website for our commercial customers.

This program allows you to receive Salem State University's negotiated discount rates on your personal purchases. Your order will be delivered to your home address.

To complete the StaplesLink.com online registration form to have your own profile created, [Click Here to register today!](#)

After your profile is created, you will receive an email notification from Staples welcoming you to the program with your login information and instructions on how to order your personal purchases through StaplesLink.com.
