

## *“A Taste of Home”*

Do you have a special dish that is your student’s favorite? A treat that they look forward to when they come home or that they miss if they’re away at school? Why not share your recipe with the rest of campus? Please tell us your recipe and we will post them on the Salem State web page. Chartwells Food Services will even attempt to re-create one families’ favorite dish in the dining hall.
