

**Laboratory Testing and Medication Pricing  
Salem State College Counseling & Health Services**

Many health insurance plans are not paying for routine laboratory tests such as chickenpox titers. Counseling & Health Services is pleased to offer discounted laboratory testing for students whose insurance plans do not cover routine laboratory tests. We also carry discounted birth control pills and Plan B (emergency contraception). Please see below for the titer and medication price list. We accept cash and checks. Payment at the time of your office visit for medication and lab work is greatly appreciated.

**Titers**

Chicken Pox (Varicella)	\$10.00
MMR	\$25.00
Hepatitis B	\$25.00

**Medication**

Birth Control Pills	\$10.00
Plan B	\$20.00
