

SSC COUNSELING & HEALTH SERVICES

Where Can I Get Plan B?

During Office Hours

SSC students can obtain Plan B at Health Services after a free consultation with a nurse or nurse practitioner. The cost for the Plan B is \$20.00 payable by check or cash.

Weekends and Nights

Health Services is not open on weekends and nights. Students over the age of 18 can purchase Plan B without a prescription for about \$40.00 at most pharmacies. You must speak with the pharmacist to purchase Plan B as it is kept behind the pharmacy counter. Students age 17 or younger must obtain a prescription for Plan B from a doctor, nurse practitioner, or physician assistant. Call your primary care provider or go to a local walk-in clinic for a prescription.
