

THURSDAY, OCTOBER 11TH

4:30-6:00PM

SEMINAR ROOM
CENTRAL CAMPUS RESIDENCE HALL

**THE ROAD TO MIT:
WOMEN AND THE SCIENCES IN SPAIN**
(Talk Conducted in Spanish)

DR. MERCEDES BALCELLS
MIT'S SPAIN PROGRAM DIRECTOR

Dr. Balcells will speak about women in the Spanish workforce, the state of the sciences in Spain, and Spain's relationship with the rest of Europe and other countries. Special mention in her speech will be made of her linguistic abilities--she speaks five languages--and how that has contributed to her promotion as Director of the MIT-Spain Program.

If you are eager to talk about these and other issues **in Spanish**, come and join us!
