## **Physical Education Admission to Student Teaching Practicum**

The following requirements must be satisfied for admission into the Student Teaching Practicum:

- Matriculated into the physical education concentration
- A 2.75 overall grade point average
- A 3.00 grade point average for all SFL major and physical education concentration courses
- A passing score on the content area part of the Massachusetts Tests for Educator Licensure
- Senior status - 90 or more credits hours
- Successful completion of all courses and pre-practicum experiences prerequisite to the student teaching practicum

Student teaching applications are available from the physical education concentration coordinator prior to the fall and spring advising periods.
