REGISTRATION

TO REGISTER PLEASE VISIT SALEMSTATE.EDU/REGISTER

Current students enrolled in our graduate programs or undergraduate Continuing and Professional Studies programs can find all of the most current class listings for upcoming semesters by logging into Navigator and using class search.

FIRST-TIME SELF-SERVICE FOR NON-DEGREE STUDENTS

New non-degree students may utilize the First-Time Self-Service at salemstate.edu/nondegree. This system allows students to create a student account and register online for the first time. After this initial registration, non-degree students will be able to utilize Navigator to register, access grades and update personal information. Please note that utilizing this system does not constitute admission to a degree program.

COURSE CANCELLATIONS

Classes not meeting minimum enrollments may be cancelled. Classes will be cancelled approximately one week before the start of the semester. In the case of winter session institutes, it may be cancelled up to one week before the first class meeting. If your course has been cancelled, use express registration or visit the Student Navigation Center during normal business hours to add a new course, provided that the new course has space available.

If you need assistance in choosing an alternative course, we're here to help. Call 978.542.6324 or via email at graduate@salemstate.edu.

Remember, early enrollment helps to prevent cancellations!

CHANGES IN REGISTRATION OR DROPPING COURSES

When using online registration to drop a course, the course must be dropped one calendar day prior to the course's first scheduled class meeting; otherwise, a "W" (withdrawal) grade will be assigned. Please note that there is no add/drop period for graduate courses.

ACADEMIC CATALOGS

It is the responsibility of every degree-seeking student to consult the academic policies contained in their academic catalog. The catalogs are available at catalog.salemstate.edu.

INFORMATION

REGISTRATION AND FINANCIAL INFORMATION

WITHDRAWAL FROM COURSES

Withdrawals can be completed online or in person at the registrar's office and will result in a grade of "W" for the course. Please note that lack of attendance does not constitute a withdrawal. Students who feel they may be eligible for a refund should check the refund policy, available at saalemstate.edu/navcenter. Withdrawal from an academic program does not automatically withdraw the student from registered courses. Withdrawal from all courses may impact financial aid eligibility. **Graduate students must withdraw by the fourth class meeting or they will receive a grade of F.**

Withdrawal Dates:

Full semester (term) courses:

End of the twelfth week of classes.

Quarter courses:

End of the fifth week of classes.

Six week session courses (SOPS/SGS):

End of the third week of classes.

Special format, institutes and other accelerated courses:

all withdrawals must be completed by the third class meeting

Online and hybrid courses follow the withdrawal dates that correspond with the session in which the class is scheduled.
