Academic Advising

• What’s happening at Orientation?
  • Registration process
  • Navigator Account
  • Degree Tracker
Academic Advising

- Advising Model at SSU
- Contact us if:
  - Questions about major/minor
  - Questions about academic policies
  - Academic trouble
Disability Services

• My student had an IEP or 504 plan in high school, what services are available at the University for students with a disability?

• Will my student be able to use these documents at SSU?

• How will faculty know if my student needs an accommodation in the classroom?
Disability Services

• Coordinates services and accommodations for students with a variety of documented disabilities.

• Disability Services offers services to help students become independent self-advocates while working towards their goals at SSU.
Career Services

- My student doesn’t really know what they want to do or major in, what is available to support them?

- What happens in a career counseling session when a student is choosing a major?
Career Services

• As a parent what can I do to help when my student says they want to change their major?

• We’ve heard it’s important to do an internship; when & who helps?

• What else do you provide?
Career Services

• Assist with choice of major, internships, transition to the professional world and/or graduate school.

• Available from the moment students arrive on campus through alumni status. Access to database only for SSU students and alum to apply for internships and job and schedule on campus interviews

• Counseling, workshops, class presentations, panels/events, resource center, recruiting (on campus interviews, resume referral, job fair) Go Pro!
Employer Relations: Making Connections Between Students and Employers

The Employer Relations Team is building long-term, mutually beneficial partnerships with employers for all departments that will provide opportunities for students, recent graduates, and alumni. The Initiative generates creative ways for employers to engage with our campus and maintains an open line of communication with those employers.

The Commonwealth Honors Program

• Stimulating academic environment that offers a more challenging curriculum for high-performing students.

• Prepares students for graduate studies and leadership positions in their chosen career.

• Honors housing, research support, and scholarships offered.

• All majors are eligible.

• Freshmen who earn GPA’s above 3.5 after their first semester at Salem State are encouraged to apply by November for potential spring semester admission.
