FALL 2021 COURSE LISTINGS

SEPTEMBER 2 – DECEMBER 20, 2021

IMPORTANT NOTE ABOUT THE FALL 2021 SCHEDULE OF CLASSES.

Please note that the schedule of classes published here is based on the most current information and guidance from the Commonwealth of Massachusetts regarding projections for health and safety in college classrooms in Fall 2021. The University will closely monitor the course of the COVID-19 pandemic and may need to make alterations to certain class modalities or locations should conditions warrant it. No existing section will change from an online to an in-person section, but some sections may need to be conducted online should conditions related to COVID-19 worsen. In such cases students will be notified at least a week before the beginning of the semester. **Students are also strongly encouraged to monitor their Salem State email for updates about any specific health and safety requirements for their individual classes as the fall semester approaches.** Please note that room locations are always subject to change and for the most current information please consult the class search functionality in Navigator.

Any courses listed with days and times are synchronous and will take place during times published. Please consult your instructor for more information.

Schedule is subject to change. Please check navigator for more information. WW = Asynchronous, SO = Synchronous, BL = Blended/Synchronous & Asynchronous, HY = Online and F2F (face to face)

IMPORTANT NOTE ABOUT THE FALL 2021 SCHEDULE OF CLASSES.

Please note that the schedule of classes published here is based on the most current information and guidance from the Commonwealth of Massachusetts regarding projections for health and safety in college classrooms in Fall 2021. The University will closely monitor the course of the COVID-19 pandemic and may need to make alterations to certain class modalities or locations should conditions warrant it. No existing section will change from an online to an in-person section, but some sections may need to be conducted online should conditions related to COVID-19 worsen. In such cases students will be notified at least a week before the beginning of the semester. **Students are also strongly encouraged to monitor their Salem State email for updates about any specific health and safety requirements for their individual classes as the fall semester approaches.** Please note that room locations are always subject to change and for the most current information please consult the class search functionality in Navigator.

Any courses listed with days and times are synchronous and will take place during times published. Please consult your instructor for more information.

Schedule is subject to change. Please check navigator for more information. WW = Asynchronous, SO = Synchronous, BL = Blended/Synchronous & Asynchronous, HY = Online and F2F (face to face)
